

**Moody International Germany Certifies the
Office for Foreign Affairs in Frankfurt / Oder**

A celebratory reception attended by the governing mayor helped to recognize that the Office for Foreign Affairs in Frankfurt / Oder Germany received their certificate according to DIN EN ISO 9001:2000. This is the second Office for Foreign Affairs in Germany to implement a quality management system according to the standard. Because of the significance of decisions in these offices, Frankfurt / Oder wanted to develop more transparency and efficiency in processes and they have succeeded. After the Office for Foreign Affairs passed the audit in December 2007, Moody International Germany granted the certificate in January 2008.
