

MOODY INTERNATIONAL - AFRICA SYMPOSIUMS

MOODY INTERNATIONAL is delighted to be presenting TRAINING SYMPOSIUMS and networking luncheons together with an introduction to our new corporate portfolio in conjunction with subsidiaries Randy Smith Training Solutions (RSTS) and Enterprise Development Network (EDN).

The Symposiums, taking place in Angola (October 28), Nigeria (October 8), and Algeria (October 11), aim to drive world-class thinking on Health, Safety and Environment best practices in the oil & gas industry in AFRICA to the next level. The demand for oil & gas products has now pushed HSE issues to the forefront of the industry and this symposium aims to give the opportunity for participants and stakeholders to hear from experts and industry peers and discover the hottest developments in the effective management of health, safety & environment for the oil & gas industry.

HIGHLIGHTS OF THE SYMPOSIUM INCLUDE :

- ▶ Delivering World-Class HSE Culture and Risk Management, Safety Integrity Systems, Technical Inspection Services and Technical Staffing Services
- ▶ Designing for Safety - Exploring the Safety Aspects for Upstream and Downstream
- ▶ Effective Skills Management of Workforce to Maximize Safety
- ▶ Maintaining Operational Excellence while Securing World-Class HSE Practices
- ▶ Cultural Change through Leadership
- ▶ Client, Contractor, Subcontractor - Who's in Charge?
- ▶ Participate in sessions - giving participants and stakeholders the chance to discuss the latest issues with experts and colleagues - and the speakers - in an open, informal and intimate setting.
